

## **A. Eligible Participants.**

1. DIVISIONAL FINALS meets determine persons eligible to participate in specific events at LEAGUE FINALS meet.
2. Substitution for a contestant who qualified for the League Finals Meet (SPL Championship Meet) is allowed only in the event that the qualifying athlete is absent due to illness, injury or activity that prevents their competing.

Only a **single** contestant may substitute and compete in the individual events for which the absent athlete qualified. Multiple substitutes for multiple events are **NOT** allowed, nor may the qualifying athlete participate in some of the events and have a substitute finish up for them.

(a) Substitutions must be communicated in advance of the LEAGUE FINALS MEET to the Meet Director or the Meet Director's designate in writing NO LATER than 30 minutes before the Meet/Session begins. The deadline for reporting substitutions is 8:00 AM for Junior Varsity and 11:45 AM for Varsity on the day of the Meet.

(b) The lane assignment or field event participation sequence that the absent qualifying athlete earned is / are assigned to the substitute.

3. Relay Teams: Relay teams qualify as a unit and as such, coaches may freely substitute a member or members of a relay team up to an including all four members of the qualifying relay team.
4. Maximum Events: Individual contestants have a four (4) event maximum, to include racing on a relay team. Note: (a) The 4 x 400m relay run at the end of the League Finals Meet is an exhibition event and non-scoring. Consequently, it does not count toward the 4-event maximum. (b) However, if run as a scoring event at meets during Weeks 1-3 participation will count toward the 4-event maximum.

## **B. Open Even**

OPEN 600-m Run (JV), OPEN 800-m Run (Varsity), OPEN 100-m Dash (JV & Varsity) and OPEN Shot Put (JV & Varsity)

1. These events are for only those team members who did not qualify in any Field, Running or Relay Event during the DIVISIONAL FINALS Meets, and who are not used as either a "substitute" or as a member of a relay team at the LEAGUE FINALS Meet. In addition, it is on the coach's honor to only allow OPEN event participation by those athletes who have previously competed in an SPL meet during this season or have medical or health-related reasons why they did not.

2. Open Events Participation Limits
  - a. There is no limit to quantity of participants a team may place in the OPEN 600 or 800. The Games Committee may choose to run both grades simultaneously to save time if in their opinion, the number of runners is small enough to preclude interference between runners.
  - b. There is a limit of 2 runners per school in each OPEN 100 event (for example, 2 participants from each school may participate in the Boys 5th grade OPEN 100).
  - c. There is no limit of shot putters per school in each OPEN Shot Put event. The event should be conducted, to the extent possible, at a site that will not interfere with any other events.
  - d. An athlete competing in an OPEN event may compete in a maximum of two (2) OPEN event. Coaches are required to submit a roster of their OPEN event competitors to the Meet Director or his designate no later than 10:00 AM the Friday prior to the LEAGUE FINALS Meet. Submission of the roster is via an on-line methodology and is intended to assist in both the staging of OPEN events and the policing of this Rule. Any changes, to include day-of-meet additions, are to be completed by 8:00 AM for the JV and 12 Noon for the Varsity on the day of the LEAGUE FINALS Meet.

**C. Awards.**

Individual, relay and field event awards are given to eight (8) places: First = Medallion; Second = Red ribbon; Third = Yellow; Fourth = White; Fifth = Green; Sixth = Pink, Seventh = Purple; Eighth = Light Blue. Awards are presented immediately after each event.

A male and female SPL Athlete of the Year will be chosen by the majority of head coaches present at the conclusion of the LEAGUE FINALS Meet and announced at the meet.

**D. Team Scoring (Award achievement).** Points will be awarded to places as follows:

Individual Running and Field Events (except for OPEN events)	10-8-6-5-4-3-2-1
Major Relays	10-8-6-5-4-3-2-1
400-m Minor Relay	3-2-1-1/2-0-0-0-0
800-m Medley	4-3-2-1-0-0-0-0
OPEN Events:	3-2-1-0-0-0-0-0

**E. Team Awards.** Team awards are earned by event points.

1. Trophies awarded to First, Second, and Third places in each of four (4) competing groups:  
JV Boys (Gr. 5, 6)      Varsity Boys (Gr. 7,8)  
JV Girls (Gr. 5, 6)      Varsity Girls (Gr. 7,8)
2. The Ray Morello “traveling” Trophy is awarded to the school scoring the greatest overall point total -- (all 4 groups combined) in League Finals meet

**F. Relays.** Instruct and escort both levels simultaneously. Relay judges must have Lane Assignment & Event Procedure. Lane Assignments cannot be changed for any relay, to ensure identical assignments at all exchange-zones.

**G. High Jump.**

1. 5th grade girls high jump begins 15 minutes earlier than other events to help keep the track meet “on time”.
2. 7th grade girls high jump official tries begin immediately after hurdles finals are run for 7th grade girls. “Practice” jumps occur before & during hurdles.
3. Starting height is 1 inch below the best height cleared by the 13TH best jumper in the DIVISIONAL FINALS meets.
4. The crossbar will be raised two (2) inches for JV and three (3) inches for Varsity when each round is completed until six (6) competitors are remaining. Then the bar will be raised two (2) inches at both JV and Varsity per round until three (3) competitors are remaining. Then the bar will be raised one (1) inch per round until the competition is over.
5. “Passing” at lower heights is encouraged as it saves jumper energy, speeds the event, and is a tiebreaker.

**H. Lane Assignments and Field Event Forms**

Lane Assignment and Event Line-up Forms, noting team and individual contestant names, including participating sequence, are to be given to: Head/Assistant Starter, Staging Director, lane & relay judges, Head Finish Judge, & field event judges.

1. Intent is to assign preferred lanes/participation sequence to best qualifiers.

- a. Lanes 4 & 5 are assigned to 1st Place qualifiers for 75m dash, 100m dash, and Hurdles.
  - b. Lanes 3 & 4 are assigned to 1st Place qualifiers for races than run one or more curves (200, 400, etc)
  - c. 1st Place qualifiers will not have another runner assigned to their same lane.
2. For equity, alternate the 2 divisional qualifiers from race to race; i.e., lane 1, then 2, then 3.
  3. Starters should try to maintain assigned lanes in all events.

### **I. Staging.**

Staging area, with sufficient workers, is important contributor to efficient Meet Administration.

### **J. Meet Information Letter.**

Meet Information Letter will be sent to all SPL member schools no later than two weeks prior to LEAGUE FINALS Meet, to include track location and meet worker assignments.

1. To avoid error and confusion, the Meet Information Letter will not include information on events, calling order, or events procedures, since these are already described in SPL official documents such as this one.

### **K. Finish Line Area**

1. Meet management and the Head Finish Line Judge should physically create, on both sides of the finish line, an area that is segregated from athletes, coaches and parents that is solely for the Head Finish Line Judge, Finish Line Judges, and Timers

**MORNING SESSION 1:**

Information Packets are available from 7:45 –8 am. Coaches Meeting at 8am. All field events except High Jump start at 8:15am. High Jump to start at 8:30am. Running Events start at 8:30 am.
