

5th Grade Course = 0.996 mi

7th and 8th Grade Course = 2.000 mi
From start follow dotted line to solid yellow line to finish

Options for parking around DG Swim and Racquet Club

1. Park on 57th St or an adjacent street and the park from the southwest corner. Follow the blue arrows above from the bottom left corner of the map which will have you walking alongside the course. You will walk through a set of trees and into the main field where the start and finish areas are located.
2. Access limited parking in the lots on the east and west ends of Barth Pond. You can follow the path along either side and enter the course from various points (follow blue arrows above). You will walk approximately 200 meters down the path and then turn left, walk through a tree-lined path and will enter the main field where the start and finish areas are located. If parking in the lot on the east side of Barth Pond (top right parking icon in the above map), walk across the bridge at the southeast end of the parking lot. Walk down the path and through the opening in the trees, which will bring you to the main parking lot at DG Swim and Racquet. There will be a wooden stairway to your right that leads toward the clubhouse. At the top of the stairs, take a left and walk toward the driveway, taking you to the clubhouse.
3. Park on Fairmount Ave to the west of the course and enter the course the same way described above in #2.
4. Park east of Fairview Ave and access the course through the main entrance to the club just south of 56th St. Walk west along the main driveway until you get to the main field.
